Because of our unusual circumstances we have some unusual rules we'll all have to follow so that we can have a safe environment for everyone. We will do our best to follow the guidelines set by the Governor of South Dakota so that we can all get back to doing what we love. RACING!!

We all have to practice social distancing and stay at least 6 feet away from each other. We also, highly recommend that everyone wear a face mask and gloves while at the track.

Please read carefully the following rules, I know some may be out of our comfort zone, but please read them and call us if you have any questions. 515-957-0020

**1. We can only allow 10 people per team! This means your driver and 9 crew members only!**

2. All pits will be 8 feet apart and we ask that you do your best to stay in your own pit area unless your car is racing.
3. There will not be any concessions in the pit area. Please bring enough food and drinks for your team to last the entire evening.
4. Our grandstand will also be very limited. We are only allowing the first 700 people in the grandstands. The price of admission is \$25 per seat. Because we have to make sure there is enough room for social distancing we will not have a child or senior discounted price. Family's that live together can sit together, however we cannot allow walk through. If you are in the pits you have to stay and family in the Grandstands will not be allowed to go back and forth. All grandstand tickets will be sold in advance at [www.parkjeff.com](http://www.parkjeff.com)
5. To limit face to face contact. All payoff's will be mailed. No one will be paid that night. Please be clear on the entry as to who the check is payable to and the address it will be mailed to.
6. We cannot encourage the fans from the grandstands to visit the pits after the races, as we are used to. So please load up and head out as soon as you can after the conclusion of the event.
7. Race procedure will also be a little different. Please have the driver and 1 crew member attend the drivers meeting.
8. We will stop the winner after the A-Main on the front stretch, there will be a trophy presentation. However, we ask that only one crew person with mule or 4-wheeler to pick up the winning driver.
9. This event will be live on SpeedShiftTV. Please spread the word to everyone who is not able to come so that they do not miss this event.

WE APPRECIATE EVERYONE OF YOU, THIS IS A VERY CRAZY TIME IN OUR LIVES AND WE ARE TRYING TO MAKE THE BEST OF IT!. BRING YOUR FACE COVER AND ENOUGH BEVERAGES FOR YOUR TEAM. STAY 6 FEET AWAY FROM OTHERS AND WE WILL HAVE A GREAT TIME.

LETS GO RACIN!!
