The Iron Cup continues to be one of the highlights of the Park Jefferson Season. Once again, the IMCA Modifieds will have a special event with qualifying events on Monday and then Tuesday with the features on Tuesday. The format will be the same as in 2020 with twin heats Monday, then qualifiers, last chance events and the championship feature on Tuesday night. IMCA state, regional and national points will be awarded. The modified entry fee remains at \$150 if registered by August 1st or \$200 after August 1st. The week before the Iron Cup is the Harris Clash at Deer Creek followed by the Night of 1000 Stars at Britt.

All other divisions will run completely separate races with heats and features on Monday and Tuesday. Drivers are not required to race both days except for the Modifieds. IMCA state, regional and national points will be awarded both Monday and Tuesday nights for every division except Modifieds. A draw/redraw format will be in place for every division each night, except Modifieds whose format is listed above.

Hotel Rooms are available at the Hampton Inn in North Sioux City for \$89. Ask for the Park Jefferson Rate

Payouts (may increase from sponsors)

Modifieds will also have lap money of \$25/lap/sponsor
